FREEDEM SOUNDS! BACK WITH A BANG ON FRIDAY 21st MAY!

We've now moved up the road to the 500 capacity Brixton Babalou (formerly Bug Bar) underneath Mass Club.

Teaming up with HEMLOCK, we bring you UNTOLD and JAMES BLAKE, two producers who among many others are revolutionising the future sounds of dubstep, house and all manor of music.

Joining them we have WEST NORWOOD CASSETTE LIBRARY who has recently had Radio 1's Mary Anne Hobbs singing his praises and has the likes of BRACKLES remixing his work. SAI from the UPPER PLAYGROUND crew comes down for his usual tear up and we have the usual FREEDEM SOUNDS boys COLLAPSE, DEADBIT and MR.LUNA joinig in the party!
