

## NuBreaks Chat Commands Helper Guide

Posted by MrSteve - 2009/06/13 16:27

---

For the last few months I have been working on the bots trying to make them work really nice for you all. Here is the current list of commands that are available for you all to you.

Others are being added as people are requesting them if they are possible.

### NuBreaks Bot Commands

-----  
.help - Will Send To User The List Of Commands

.peak - Shows Current Channel Peak  
(It Will Auto Paste When New Peak Is Reached)

.seen  
.seenNick  
.seenStats

.google  
User Will be messaged the top 2 results and links to the them.  
.image  
User Will be messaged the top 2 results and links to the them.

.suggest - Adds A Suggestion To The Bot  
.suggestions - Shows All Suggestions  
.box - Pulls up the commands

.weather  
.forecast  
.sky

.stats - Sends Current Listener Count To Chat  
.record - Sends Record Number Of Listeners To Chat  
.listeners - Sends Current Listener Count To Chat  
.np - Shows Currently Playing On Station

.website - Will Paste The Website To Chat  
.forums - Will Paste Forum Link To Chat  
.video - Will Post Video Only Link To Chat  
.server - Will Post Server Link To Chat  
.mp3store - Will Post Link To Mp3 Store In Chat  
.mp3signup - Will Post Link For Users To Signup To Sell Music In Our Store

More To Come.....
