June 11th 8-10pm

This is a **SPECIAL ONE TIME EVENT** right here on nubreaks.com!

For the past 4 months we have been in the lab working on some new stuff for you!

Big thanks to Sun Mountain Studios with the final mastering.

Thanks to all the producers from around the world and listeners that support us!

All 22-24 tracks that will be played during this show will be available
for **FREE** Promotional download after June 11th.

These tracks will be available from Nubreaks MP3 STORE that will officially be opened on June 5th!

Just check the Shops menu at the top and click on the "Mp3" link.

Any artist or producers that have questions on potential sales please contact sales@nubreaks.com
