

It was beginning of August 2007 when V.I.M.BREAKS release it's first ever single, the mighty "KICK ASS BELLS" by THE SCIENTIFICS. We're extremely proud and happy to celebrate 7 years of pure passion, dedication and love to the scene with a rather astonishing compilation entitled "OLD BLOOD vs NEW BLOOD"! V.I.M.BREAKS250 release and the concept is simple: 5 awesome, unreleased, original tracks by artists that are with us since our early label days (ANDY FAZE, BL1TZ, DIGIBOX, MACHO, RONIN8), that we

simply call them “Old Blood Artists” and another 5 dope, unreleased, original tracks by artists that are quite fresh to the label (ALT-A, GROVE, MISS MANTS, SUNSHA, SLUGWARE), that we simply call them “New Blood Artists”. V.I.M.BREAKS is here, fresh and innovative, true and passionate like the very first day...from dusk till dawn!!!
