

Looking for talented electronic music producers

Posted by kriscore - 2015/06/26 12:57

Hey guys,

Berlin based label is looking for talented producers. Nomad Wave is a publisher of music styles such as

Techno - House - Trance - Alternative - Drum&Bass - Ambient - Glitch Hop - Breaks

We are interested to attach more ideas to the label to expand the high vibes on dancefloors. Contact to us if you think that your music fits with our soul.

Check it out

<http://www.nomadwave.net/>

We are looking for tunes to release digital singles or eps.

If you are interested send to this mail complete and unreleased tunes ...

demo@kriscore.com

Note : Send to us original mix tracks only by private streaming, We are not able to publish remixes by copyright laws
