EZ

Dj Dopejack here fresh from just signing my first regular show on NSB radio, the biggest breaks station in the UK.

Entitled "The Break Through Sessions", the first show goes out on the 23rd and im looking for any quality music to play on the show; Bassline breaks, Funky stuff, Dubstep, doesnt matter as long as its fresh and bangin!

You can send me mp3's (320's please!) along with any promo info you would like to hear on air to;

djdopejack@live.com

A great oppotunity for producers of any music, dont let it pass you by!:D

Hit me up guys, look forward to hearing what you got!!
