

MUSIC COMPETITION! Listen, Vote, Submit your Tunes

Posted by KaneFM - 2010/01/13 11:36

Kane FM for the past five years has steadily been making the transition from pirate to fully legal FM radio. As far as we're aware, we are the first to do this since the buckeering days of Radio Caroline (Kiss 100 doesn't count..... trust).

Kane FM returns next year, fully licensed, with some of the biggest and freshest Breakbeat talent in the universe (and yes that even includes the planet that Inch is from)!

We currently have a music competition, called Beat Poll, running on our joint website with The Guardian - <http://www.getsurrey.co.uk/kanefm>

Please take the time to vote on Beat Poll and check out the videos of our parties with acts such as Taskforce and Sukh Knight.

We also have a MySpace page - <http://www.myspace.com/kanefm> - where you will find information about our events and videos of them as well as access to exclusive DJ mixes etc etc.

THIS IS REAL INDEPENDENT UK MUSIC BEING REPRESENTED BY A FULLY LEGITIMATE FM RADIO STATION AND TO OUR KNOWLEDGE WE ARE THE FIRST TO REPRESENT THE INDEPENDENT MUSIC THAT YOU LIVE AND LOVE IN THE UNPRECEDENTED AND UNBIASED WAY THAT WE DO!

To get involved with Kane FM please go to <http://www.kanefm.com> where you'll find the email address.

Here's some more details on the Beat Poll competition for those of you who'd like to submit a tune:

Do you have a tune that you'd like to submit to Beat Poll? The competition is open to absolutely anyone from any genre, signed or unsigned and the winner gets a video interview with Kane FM and the Surrey Advertiser, as well as gaining obvious links with the Kane FM radio station. Who knows where that could lead once we're on air? Being asked to come on air to do a guest mix or interview, or maybe even being asked to host a show. The winners of our first ever Beat Poll are Dubstep producers called Magic Mash and when we met them to do their video interview we got on with them so well that we ended up inviting them to be in charge of the Dubstep genre for Kane FM and now they're part of our happy family!!

To submit a tune for Beat Poll all you have to do is email your tune (preferably send us a link using yousendit or sendspace or something) to us at beatpoll@kanefm.com. Tunes should be of the highest quality format possible (i.e. 320kbps MP3 or WAV/AIFF). Don't worry, the tunes can't be ripped or stolen as we have a sample played over the top of them every minute or so to make them useless to rippers.

So, go to <http://www.getsurrey.co.uk/kanefm> and place your vote and if you have a tune to submit, send it to beatpoll@kanefm.com

GET INVOLVED!!!!

Cheers,

Kane FM
