re:produce007 Touane is now available! Jump into the shoes of a phenomenal producer and give your tracks a boost with these hand-crafted samples. Ableton 8 users will find Touane's customized (and customizable) project particularly useful.

"To determine production quality you need to start with the right ideas. Actually, it's 50% what you have in your mind and 50% the fun you have designing the sounds."

—Touane
