Inspired by the traditional Mexican wrestling culture and the famous Luchadores the label aim to deliver top class singles, remixes, compilations and design!

Megawatt and his brother Potato Patata Jr aka BETTER KICKS were taking some holidays in the exotic island of Japon, crusing the dark streets of Tokyo where they've got a challenge from "El Gundamo" The evil Luchador aims to be the monster warden of Little Tokyo and takes lessons from Kyoto (a sensei who resembles a pink bunny). He seems to have a fascination with robots and he tricked the brothers into thinking that he could slay giant monsters in Japon, but in truth, he was a coward. During the battle he performed the "Tsunami Slam" move where he turns into a giant tsunami the same colors as his costume! He has almost won the fight but Better Kicks performed a new wicked Tech-Funk move entitled "Let Me Go" and together with Russian eligible bachelor Luchador DM (who came over for help) they've managed to throw him in the ocean where he was arrested by Japanese navy police!
