STAXIA aka "Perrito Slam" the violent masked wrestler who hates just about everything and can get angry very easily is back! In the beginning of his Lucha career Perrito growling most of the time with little speech but after he became a really top class Luchador he started talking regularly more often with a southern Spanish accent. His signature move is the "Perrito Slammer" one in which he turns his hands into brick walls to crush his opponents. He performs this move only when he's in great danger or in "difficult" circumstances! ADAM VYT aka "El Loco Mosquito" is another fresh Luchadores of the Spanish League of The Extraordinary Gentlemen. He's a tall wrestler with a high pitched voice whose mask is an appearance of a mosquito. He's one of the few insect-classed wrestlers and his most powerful move is the "Buzzing Terror" one in which he combines his voice with some Samurai moving tricks that he learned on a tournament in the land of the rising sun!
