She came quickly to the table and sat down and lifted her chin and looked at him with the laughing eyes and the golden face with the tiny freckles. Her hair was dropped as short as a boy's. It was cut with no compromises. It was brushed back, heavy as always, but the sides were cut short and the ears that grew close to her head were clear and the tawny hue of her hair was cropped close to her head and smooth and sweeping back. She turned her head and lifted her breasts and said, "Kiss me please." He kissed her and looked at her face and at her hair and he kissed her again. "Do you like it? Feel it how smooth. Feel it in back," she said. He felt it in back. "Feel on my cheek and feel in front of my ear. Run your fingers up at the sides. "You see," she said. "That's the surprise. I'm a girl. But now I'm a boy too and I can do anything and anything and anything." "Sit here by me," he said. "What do you want, brother." "Oh thank you," she said. "I'll take what you're having. You see why it's dangerous, don't you?" "Yes. I see." "But wasn't I good to do it?" "Maybe." "Not maybe. No I thought about it. I've thought all about it. Why do we have to go by everyone else's rules? We're us." "We were having a good time and I didn't feel any rules." "Would you please just put your hand over it again." He did and he kissed her. "Oh you're sweet," she said. "And you do like it. I can feel and I can tell. You don't have to love it. Just like it at first."
