

## Beat 4444 - Knight Bass \*\*OUT NOW ON BEATPORT!!!\*\*

Posted by thegulfgateproject - 2020/08/11 02:41

---

At Toast & Jam HQ, we like our drums huge and our bass lines beefy. That's exactly what Beat 4444 has brought us with his new track Knight Bass. Incorporating a familiar synth line, Knight Bass relentlessly pounds the sub woofers to bring you a jam worthy of a spin in your next set.
