

## Terrie Kynd - Something Cute \*\*\*OUT NOW!!!\*\*\*

Posted by thegulfgateproject - 2020/10/29 17:27

---

Terrie Kynd is bringing the funk on his latest track Something Cute. This tune has a garage-style feel with a wobbly bouncing bassline, funky horn toots, and well placed vocal samples on top of a thumping breakbeat drumline. Awesome dancehall vibes from start to finish!
