

B-Phreak & Bradley Drop - Bad Boy ***OUT NOW!!!***

Posted by thegulfgateproject - 2021/07/30 15:17

B-Phreak & Bradley Drop have teamed up to bring us some seriously grimy breakbeats with their first of two singles Bad Boy. A rave-y piano loop builds during the breakdown and then releases into a minimal drop loaded with sub-sonic speaker-rattling bass. It doesn't get more down and dirty than this jam!
