B-Phreak - Bass Weapon ***OUT NOW ON BANDCAMP!!!** Posted by thegulfgateproject - 2021/10/28 20:21

Bass Weapon is the third and final single from B-Phreak's forthcoming Sick Mode album on Toast & Jam. A four-to-the-floor bass house bomb, Bass Weapon delivers more of B-Phreak's superb sonics as the vocal hook drives through the breakdown to a drop with a punchy bassline and some well timed rave synth stabs. Bass Weapon certainly delivers on its name and is set to assault the nearest dance floor.
