

Jason Laidback Ft. SIMM - Jam On My Toast OUT NOW!

Posted by thegulfgateproject - 2021/11/14 03:15

Toast & Jam is proud to present Jam On My Toast, the latest creation from Jason Laidback (one half of breakbeat outfit Slyde) featuring SIMM. The super-funky bass line keeps the groove bouncing along as layers of delayed vocals wash over the mix. Synth bleeps and blips keep the vibe funky as the high-end percussion, loaded with a healthy amount of tambourine, lend the track a bit of a tribal feel. Jam On My Toast is posed to do some damage in your next set.
