Paket - New Era ***OUT NOW ON BANDCAMP!!!*** Posted by toastandjamrecordings - 2023/06/01 00:46

New Era is the latest offering from Paket and this track is bringing plenty of heat for the dancefloor. Featuring a familiar vocal sample, New Era makes use of a progressive sawtooth bass line and gated vocal chopping to keep the energy flowing. A springy synth filters in during the break as a more sweeping wide synth takes over for the drop. Paket's drums and percussion are on point as always and they help set the stage for New Era to earn a spot in your next set.
