

SuperStyle Deluxe - Treat Me Right *OUT NOW!*

Posted by toastandjamrecordings - 2023/09/21 03:32

SuperStyle Deluxe is back with another installment of funkcd up house music with his new track Treat Me Right. With its shuffling groove, Treat Me Right chugs right along with layers of organs dancing with arpeggiated synths. The Treat Me Right vocal loops throughout as horn stabs and rave chords splash in for effect. Funky feel-good vibes from SuperStyle Deluxe right here!
