BTX008 Fujin - Block Raid w/ Grizzla Remix - Bombtraxx Records

SIDE A: ORIGINAL  
PREVIEW HERE

SIDE B: GRIZZLA REMIX  
PREVIEW HERE

U.S. Heavyweight breaks label, Bombtraxx Records continues its onslaught of 2007 with new artist Fujin. With a handful of Drum & Bass releases under his belt and brandishing a new guise, Fujin has joined the Bombtraxx camp with his first signing, Block Raid. Block Raid is funk fused tech breaks that will reap havoc on any dancefloor

Remix duties are by Grizzla of the Unstable label. In just a few short years Grizzla has made a name for himself on the breaks scene with his previous successful releases. Grizzla takes things to a different level with his remix, beefing up the drums and adding an addictively dirty bassline.

DJ Support by: Jay Cuning, Quest, Far Too Loud, Specimen A, Takomo, Ben & Lex, Cereal Killaz & more..
