

Filastine's NEW RELEASE !!!

Posted by promo JFX - 2009/02/19 06:54

Known as a producer and percussionist based in both Seattle and Barcelona, Filastine aroused a craze to the hip-hop world and electronic music enthusiasts from all around the world with his debut's album Burn It. His second album - Dirty bomb - is a real melting pot that reinforces the concept of global beats, offering a wide range of musical encounters Filastine has been able to live during his permanent worldwide trips (Wire MC, ECD, La Perla...). A second album that make dubstep, balkan music, hip-hop and electronics meet in a riot as a background. Welcome to the post-crisis world !

Have a look on it & enjoy !!
