#OUT NOW# EMPD008 - EMPATHY DIGITAL 2009 EP

Hot off the heels of releasing the 'Rumble in the Jungle 2009 CD' Empathy Recordings is excited to announce the release of the 'Empathy Digital 2009 EP'.

Featuring 10 stunning tracks created by some very talented producers. We are confident this release will strike a chord with all you DJs and dance music lovers alike.

The release is divided into two parts.

Part 1 covers the drum n bass side of things and part 2 covers the more breaks influenced tracks.

PART 1:

Johnny Hooves - Eye of the Beholder

Cern - Salvador

Trei - Morning Glory

Trisector - Love Stays

Subtone feat. Stabba - Desmond

Consequence - Someone to Watch

PART 2:

Double_Negative - Vegas

Opiuo - Wizards of Oz

Opiuo - Monkey Crunk

Consequence and Search - The Fountain (White Papoo remix)

All tracks are now available for purchase from the following stores:
