Hello everybody <http://www.broken-robot-records.com/images/BR-logo-trans-offwhite.png> We at Broken Robot are happy to announce that Hedflux's seminal tech-breaks stomper Music is my Weapon is once again available, along with Far Too Loud's heavy rework. Originally released in early 2008 by Sinister Records, both tracks have been unavailable since the sad demise of the label last year, so if you missed them the first time round, now's your chance to get your hands on two sure-fire dancefloor destroyers! available on Beatport:

<https://www.beatport.com/en-US/html/content/release/catalog/?labelId=12794&contextType=labels&contextEntityId=12794&orderBy=releasePublishDate%20DESC> Also, previews of Broken Robot 002 are up on our myspace page: www.myspace.com/brokenrobotrecords - Featuring the debut single from FIREFARM (who some people are saying could be the next Liam Howlett) with a stonking remix from breakbeat heavyweights PYRAMID...this will be released on the 1st June 2009 and is one not to be missed!
