

Future Funk Squad - Disorders of Skill PREVIEW

Posted by daniella downs - 2009/05/09 09:18

hi peeps!

check out the preview of the forthcoming Future Funk Squad album 'Disorders of Skill' now up on the FFS myspace and soundcloud!!

<http://www.myspace.com/futurefunksquad>

<http://www.soundcloud.com/ffs>

appreciate the feedback if you get a chance!

Also don't forget his 'Warriors Dance' remix for The Prodigy is released next week ;-)

Just had a listen. This album sounds like it will be tremendous! Quality breakbeat!! If you could send us some promo material for the upcoming album we'll post it up on the front page. Send the promo material to clint@nubreaks.com
