

Perpetual Present - Girls & Devices [OUT NOW]

Posted by Perpetual Present - 2009/06/01 14:57

Girls & Devices / This Is It

Two Original new tracks Available today through most good breaks download sites

Trackitdown feature review

" EXCELLENT RELEASE! from Perpetual Present. This totally goes off after the breakdown. Tech funk acid breaks is what we get and its set to drive crowds nuts. Played on big system this will absolutely devastate proceedings. PLUMP DJS ARE ALL OVER THIS! "
