Empathy Recordings are proud to present:

EMPD010 - DOUBLE_NEGATIVE/ WHITE PAPOO: WHAT IT IS

EMPD010 comes to you in the form of a good ole fashioned Nu-Skool Breaks rinseout!

The release contains three tracks, including a collaborative track from White Papoo and Double_Negative and two original tracks by both producers. With both artists signature production skills written all over these tracks, we encourage you to check them out. Imagine swirling synths, infectious breakbeats, fragmented vocals and lets not forget the BASS!

EMPD010:

Double_negative feat White Papoo – What it is

White Papoo – Exciter

Double_negative – Reiki
