Jellybass Album Online Posted by Chix - 2007/06/18 08:32

You can now buy the first Jellybass Album online!

http://www.jellybass.co.uk/cms/images/jellybass/album_artwork.jpg

High quality WAVs can be found at Trackitdown.net...

However, if you're buying it just to listen to and not fussed about WAVs, cheaper mp3's will be on Napster, DJ Download etc soon, they're already up on Tunetribe, iTunes and Clickgroove!!

Cheers, Wobble on!!
