Posted by DigitalMasterTaco - 2011/01/06 20:20

Fooled ya!

I just wanted to share some amazing art with all my nubreakerz out there :)

When I first saw it, I honestly thought that there was no way it could be faked. But whata know... All this pics are 100% 3D Rendered.

And because my boy that does it has a tendency to make the art that sells *cough *cough..

I tried to put some of the best "kid-friendly" pic here in the post. But I also made a zip file with a couple more, full sized pics that I don't think would really offend anyone, but hey: we ARE professionals! Imao :P

he's the link to Saphires page on DeviantArt:

and here the link for the zip file:

ps. - just remember he's a man and he has urges too lol. but he gets paid for it!

^^^55555 SAPHIRE!!!

Enjoy,

:woohoo: Tweedle :woohoo:
