

ChaoticPulse "Eternal Night"; Feat Phat Riderz Remix

VIRALBREAKS

Posted by datapusher - 2007/06/20 07:57

Viral Breaks 006 is a new venture featuring a firing DnB release by French phenom Chaotic Pulse. The track is called, Eternal Night. A rolling dark beast with much groove.

Also, we have a nuero stormer remix by the Phat Riderz (for all you hardcore breakers). Thanks for the support! Respect.

Viral 007 will feature a full DnB release by none other than, SPECIMEN A & Code Zero (more details to come).
