Morning gang. Has it really been two weeks already? It feels like only yesterday that I was grooving away in the studio to Buck Fillington's bass-heavy romp as part of Hubie Sounds 060...

Anyway, this week I've decided to revive one of my favourite little features:- the artist & label showcase! I'll be presenting a showcase of music from my favourite label at the moment, Dirtybird Records, with a selection of some of the best beats from this great label's back catalogue. So if you like your dirty house, tech-funk and breaks, you're gonna love this!

As well as the showcase, I'll be spinning my usual selection of fresh beats and bass, including new stuff from Stanton Warriors, IIs, Loops Of Fury and loads more!

Hubie Sounds 061 – Tuesday 22nd January @ 9pm GMT – live and direct on NSB Radio!
