Hi gang! As promised, the super exclusive, mega exciting Bass Easter Podcast has now landed!

To get you warmed up for our big party next week – on Good Friday, 29th March – the trusty Bass resident DJs have put together a banging podcast chock full of fresh beats and exclusives for your lovely ears. The podcast is divided up into three seperate stonking mixes, by Rejectbeats, Hubie and Big Nick D respectively, that should give you an idea of what to expect at the party at Bells Of Shoreditch next week.

So expect to hear 90 minutes of bass music, dirty house, tech house, breaks, and filthy beats to keep your booties bouncing right up 'til Easter weekend and beyond! You can stream or download the podcast via the funky buttons below...
