Hi everyone!

Hubie Sounds is back on NSB Radio this Tuesday with another show chock full of bass and beats for your lovely ears. As well as the usual eclectic selection, this week I'll be presenting one of my favourite features – the record label showcase – focusing on the great purveyor of tech funk and breaks, Lot49 Records.

I'll be spinning a selection of my favourite Lot49 releases from over the years, with tunes by the likes of Elite Force and Lee Coombs, as well as label founding fathers Meat Katie and Dylan Rhymes.

Hubie Sounds 066 – Tuesday 9th April @ 9pm BST – live and direct on NSB Radio!

PS. Please be aware that British Summer Time is now in full effect so, depending on where you're tuning in from around the world, show times on NSB Radio might be an hour earlier than normal. Check the World Clock to see how this might affect you.
