Martin Reeves, AKA Krafty Kuts, is without doubt one of the world's greatest DJs. Lauded in the UK, worshipped in Australia, acclaimed in America, where ever he plays he is guaranteed to cause a commotion with his riotous skills. So far in a glittering career he has gained dance music's top accolades including Best International DJ at the Australian Dance Music Awards, Breakspoll's Face of Breaks 2003 and Best Breaks DJ at the M8 Ibiza awards 2006, in only his first year as a resident on the white isle. A stunning haul at Breakspoll 2007 saw him claiming Best Album for his debut long player 'Freakshow', Best DJ for a record third consecutive year and to cap it off, the richly deserved Outstanding Contribution to Breakbeat award that acknowledged his long journey to the acme of club culture.

Inspired by the hip-hop and electro sounds that were rocking his world, Martin first stepped behind a pair of decks when he entered a DJ competition and incredibly, as a complete novice, he made it all the way to the final. With his love affair for the wheels of steel well and truly cemented, Krafty Kuts set about learning his art, perfecting the cutting and scratching that was to become the core of his DJ sets.

It's once again time for Breakspoll voting and as per usual Krafty Kuts is in the forefront. Please take a moment to go to www.BreaksPoll.com and cast your votes now! True Sounds Radio suggests the following voting options:

Best Track: Krafty Kuts, Tim Deluxe, Christian J, Dylan Rhymes, & Elite Force - "Party Phenomenon"

Best Label: Against The Grain
