Parallax Breakz is the Breakbeat project of Ukranian Breakbeat producer Alexander Zhikharev. Already established as a Drum n Bass producer, Alex's first release under the 'Parallax Breakz' name came out in 2008, and has since gone on to gain numerous releases on labels such as Ego Shot, Morphosis, Digital Sensation, ChipSound, Bass Reflections, Scarcity, Flextone, & Raveart. His trademark Progressive Breakbeat sound and top end production skills have seen him gain support from the likes of Llupa, Duane Barry, Curl&Dean, Kultur, Quextal, Mesmer, Retroid, Matt Darey, Peter Paul, Stefan Anion, DJ Faze, & DJ ToenS. In the summer of 2010 Alex founded the awesome new label "RUNE recordings," releasing tracks from Parallax Breakz as well as other great producers.
