

Morongroover - Groovin' the rain

Posted by DjMorongroover - 2012/11/20 05:18

Hi,

Please check out my new mix: Groovin' the rain!

Groovin' is back for a special rainy session! Don't be morose about it as we are going back to the groove old-school! The journey starts from the hip-hop, jazz and reggae side of the groove to then take you on to new horizons. Expect ghetto funk and bass-heavy groove!
