Brand spanking new 30min mix How Not To Win A DJ Competition. It's exactly the same set I played last week in Huddersfield for the Oxjam DJ comp.

I'm also currently working on a mix that comes with an hours worth of stolen BMX and Skateboard footage so keep your eyes peeled for that one.

- 1. Krafty Kuts Don't Stop
- 2. Diverted Fing
- 3. Noisia Gutterpump Rogue Element & Tom Real Remix
- 4. Digital Base Inc 2 Funk
- 5. Platinum Mules Freek Like Me
- 6. Unique 3 Take This Love
