

hour long bass led electro(strictly vinyl)

Posted by foliage - 2008/02/29 04:02

so excuse to pops and crackles, this is my fourth mix tape using vinyl,
the set is all about bass and beats, starting off with mrs kitten and finishing of with a dubsided lable
release, the tracklistings will be posted on my account soon, bit of a delay because of missing
information on one or two white labels so i do say sorry.
