Prehaps you could approach the following to advertise their banner on here for a bit of extra revenue seeing as their very much related and I've found them essentials =

FL7 (Fruity Loops) :-
www.flstudio.com

DJ Traktor 3 (Native Instruments) :-
www.nativeinstruments.de/index.php?traktor_us&flash=7

Scratch Live (Serato) :-
www.serato.com

I think you would have to approach them through the proper channels of communication as very few companies actually advertise their want of advertising other than a few offering Affiliate schemes. Just an idea?

I assume you are asking HAL9000? Is that right?

As I wouldnt know what you would be requiring in revenue or other terms and conditions.
