

Time logged in...

Posted by Reminis - 2007/07/27 17:00

The "Time logged in" seems to be up the creek :-*
Defo not clockin up properly...
Like missing hours n hours of login time.
No probs jus lettin ya know
:wave:

I'm with you on that one. Does chatroom time count? It should. But other than that, I know I've been logged for more than what that thing tells me...

the time logged in reflects the actual amount of time you are logged in and browsing the forum itself
