

where the fuck is the chatroom

Posted by wicked_breaks - 2008/05/01 20:04

been looking around the site for bout a minute now...cant find a damn link for the chatroom....two case scenerio:

either im blind as fuck

or you need to make it more visable

either one could be correct....or a little bit of both

=====

just found it....think it was the third option...

oops i mean ONE OF 3 CASE SCENERIO

kinda hard to see, and im blind as fuck

late
