

The Vinyl Touch Electrowerkz reunion [LDN] 31/3/12

Posted by TVT - 2012/02/10 09:59

The Vinyl Touch returns to this legendary venue for a very special one off event!!!

Over the years The Vinyl Touch have taken over many venues across London, the UK & beyond, however, there has always been one place that has stood out for us in having an incredibly special connection for TVT as the setting for an amazing run of events from 2003-4 (Were you there?)

We have always had it in our minds to return to this venue one day and now feel that 2012 is the time! The venue has undergone an extensive refurbishment and now presents an amazing space for The Vinyl Touch to work our magic.

We have pulled out all the stops once again to deliver a line up that is cutting edge but also represents our journey through the Breakbeat Soundscapes over the years.

Musical Styles Across all 3 Rooms:

BREAKBEAT - DRUM & BASS - DUBSTEP - HOUSE - ELECTRO - OLD SKOOL -
NU FUNK - CLUB CLASSICS - HIP HOP - REGGAE - JUNGLE
