Innovating in several styles of electronic music and bringing a live PA recognized as one of the most energetic and creative to be seen, Dirtyphonics is a worldwide phenomenon that you can't ignore.

With an incredible production level, a unique way to mix and blend different genres (electro, drum and bass, dubstep, hip hop, rock...) and a "best newcomers producers" award under their belt, Dirtyphonics is with no doubt one of the most exciting bands in today's electronic scene.

"If you've seen these five French originators live, you have witnessed the future of live drum & bass performance that leaves competitors in the dust." Knowledge Magazine

Charly, Thomas, Pitch In and Pho started traveling the world in 2006 with their incomparable live act, combining the efficiency of a DJ set to the spirit and energy of a rock concert. In 2008, the band takes a new scope when "French Fuck" gets signed to Shimon's label (AudioPorn). After its release, the 12" climbs the charts to reach the first place and stays number one for a couple of weeks, bringing them immediately forefront of the scene.

"In this day and age and with how far we've come with music, it's hard to do something new and that's exactly what they'd done right from the start." Shimon

"Parisian crew Dirtyphonics are bucking the trend with a tranche of heavyweight music and an incendiary live show." Mixmag.

SMASH GORDON

Smash Gordon certainly lives up to his name. After a freak accident where a large tank of dangerous, destructive chemicals accidentally spilled on his head, Smash was born into a world of violence, anger, and fury. Smash Gordon is known for his inability to sleep, his infinite passion for throwing large objects, inhaling small children, and smashing every single aspect of his life into small pieces. Because of this Smash Gordon is a danger to himself and everyone around him.

Smash is kept in high security behind 7 inch thick titanium bars when not performing. Even the simple presence of a hater will send him into a furious rage, causing club banger after club banger to rain endlessly upon a concertgoers gentle face. Smash has performed on stage with the likes of POTD, Deadmau5, Kill the Noise, AC Slater, Rusko, Dieselboy, Bare, and countless, countless other names. You enjoy dancing, he enjoys blowing things to pieces, and leaving nothing but rubble.

Smash Gordon has a P.H.D in Filth and a Masters in Grime. Smash Gordon, Esquire; Attorney at Raw.

GETTER

GETTER has taken the underground bass music culture by storm. This San Jose native has been taking over stages across the states for the last two years with a high energy stage presence and bass infused sets he is crushing the dance floor with each banger he drops you. Before he was 18 Getter had already grabbed multiple releases on some underground labels: Ultragore, Prime Audio, and Chronos. What he is best known for, are his signature guttural basses he has in his tunes.

Getter is currently being supported by the biggest names in the EDM scene. Rusko, Flux Pavilion, Datsik, Borgore, Inspector Dubplate, Funtcase, and Downlink are just a few of the producers that have been supporting Getter with his music. 2012 will definitely be an epic year for this young producer, and he is NOT stopping anytime soon! Keep an eye out for this young blood, bass slinger in your city!
