<http://twitter.com/calvertron>

Following a string of speaker rattling productions and highly acclaimed remixes, Alex Calver aka Calvertron has found himself the subject of attention from some of the biggest and best artists and record labels in the business. His tracks are consistently seen at the very heights of Beatport's charts and, featured across the UK's national radio stations, are spreading like a pandemic - with his unique sound gaining support from a diverse selection of the world's most influential DJs, including the likes of Fatboy Slim, Tiesto, Busy P, Benny Benassi, Eric Morrillo, Roger Sanchez, Diplo, and John Digweed.

Formerly the producer/engineer behind one of the UK's most groundbreaking music duo's 'Twocker', Alex's versatility knows no bounds. From bass driven house music to Jacking, Electro, Minimal Techno and Tech House, Alex has become one of the leaders on the global scene and has already had the honour of remixing such legends as Laidback Luke, Armand Van Helden and Sander Kleinenberg.

Becoming renowned for sets that mirror his diverse production sounds, Calvertron is an internationally accomplished DJ. Impossible to pigeonhole and quickly becoming one of the forefront names for the ever growing international bass music scene. His sets are in high demand and he regularly headlines clubs all over the world, touring in every continent bar Antarctica - but if there was a club down there he'd definitely be partying with the penguins!

### CRIZZLY

Hailing from San Antonio, Crizzly is one of the few people who have used their creativity to help cultivate and further a style of music. CRUNKSTEP!! Crizzly's fresh take on this musical hybrid will give you something to Nod & Shake to. Prepare yourself to make bad decisions and dance with the person next to you. So, call your favorite gold chain retailer, find out where Xhibit pimps his ride, lower your

snap-back just over the eyes and lastly listen to Crizzly.

DJ DARA

<https://www.facebook.com/pages/DJ-Dara/112636395417314>

A member of the infamous Planet of the Drums crew alongside fellow drum 'n bass pioneers AK1200, Dieselboy, & J Messinian, this Irish transplant has been a dominant figure in the U.S. drum 'n bass scene since his arrival here in 1994. His discography includes 2 critically acclaimed full length artist albums, 8 DJ mix CDs, as well as numerous singles and remixes for artists such as Freq Nasty, Afrika Bambaata and Keoki. Dara co-founded the nation's first & largest drum 'n bass record store, Breakbeat Science, in NYC which doubles as his own imprint, Breakbeat Science Recordings. He has been featured in countless magazine articles and interviews both in the US and worldwide. He previously hosted one of the internet's most popular drum 'n bass broadcasts, Velocity, where he regularly interviewed leading drum 'n bass artists such as Jonny L, Kemistry & Storm, Trace, Ed Rush, Optical, Hype, Andy C, Zinc, and many others. Dara's long standing relationships with the world's drum 'n bass elite gives him access to an astounding amount of new and unreleased material. His brilliant recording endeavors along with his incessant touring markey by consistently awe-inspiring DJ sets have made him one of the most recognized and well respected DJs in the country.
