Just Don't Stop Productions, These Droids Collective and Groove Mafia present:

ELECTRIC SHAKEDOWN XIV FOURTEEN YEARS OF UNDERGROUND!!

JDS' 14 YR ANNIVERSARY!!!

<http://i1173.photobucket.com/albums/r581/winowarrior1/ELSHAKEDOWN.jpg>

We expect this Electric Shakedown would be the largest one to date, and couldn't be contained to an indoor venue... So we've decided to move BEYOND the confines of a club and to an incredible new outdoor camping event.
