Broken and Uneven's 'The Hydra' invite Hamburg's Dial Records to town for a showcase of their label's most discerning acts. Having been responsible for launching the career of Pantha Du Prince, Dial have always been ahead of the curve when it comes to electronic music and never constrict themselves to filling the House and Techno quota. Dial's varied stable of Efdemin, Roman Flugel, Lawrence, John Roberts and Christian Naujoks will all be joining the proceedings as well as a special guest appearance by Redshape under his Palisade moniker which has seen him release more House-orientated music on Laid, Dial's Vinyl-only sub label.

Line Up

Pantha Du Prince - Live

Efdemin

Roman Flugel

Lawrence

John Roberts – Live

Palisade AKA Redshape – Live

Christian Naujoks

We are pleased to announce that the venue we have chosen for the Dial Records Showcase this Saturday is Hackney's Netil 000 and Studio 206 . This is the first time that both spaces have been used for an event at Netil House and as usual we'll be installing a full Funktion One Rig installed by Sound Services, draping will be hung to improve the acoustics and additional toilets have now been built at the venue.

Address:

Netil House, 1 Westgate Street; London Fields; London E8 3RL

The venue is a 2 minute walk from London Fields over ground train station and several main bus routes stop directly outside the venue.

There are some important things to remember ahead of Saturday:

We will be using the new RA Bar Code Tickets so you must bring a print out of your tickets. No print out, no entry.

There will be a cash back facility but it is a cash only bar.

There will be a fully staffed cloakroom.

There will be tickets available on the door but please arrive early to avoid big queues and guarantee

entry.

Thanks and look forward to seeing you on Saturday!
