Nu:Prodigee- Infectious Bass 2009 miami breaks mix Posted by Nu:Prodigee - 2012/08/12 09:45

I know I've uploaded this a few times but I made some room for it, so for those of you who don't know, this is a Miami electro breaks mix CD I did a few years ago. Strictly for those of you who like DARK&NASTY 808 BASS! ENJOY!
