Chew The Fat! and Dub All Or Nothing are once again joining forces to serve up another banquet of bass, building upon the success of the two hugely popular showcases the duo put on earlier this year. This time round it's none other than JAKES' very own H.E.N.C.H recordings taking centre stage, with a whole host of H.E.N.C.H artists set to tear up Cable!

Heading up proceedings in the main room is the man himself Jakes going b2b with Lost and Beezy for an extended set - not to be missed! Also in the building is Brighton boy wonder Dismantle fresh from the release of his blinding Warp EP on Shy FX's Digital Soundboy label! Dubstep pioneer MRK1 is responsible for some of the genres earliest defining releases, and has built a reputation as one of the most established heads in the game so expect a set packed with nothing less than the finest frequencies.

Young gun Vodex goes head to head with one of the stalwarts of the scene Eddie K, plus fresh from the release of his incredible debut album on H.E.N.C.H earlier this year Komonazmuk brings his unmissable Live Show to Cable. Rounding things off in room 1 are Temo and Subzee D, with Koast on hosting duties.

Room 2 is going in hard with D&B legend Taxman joined by Bristolian heavyweights D*Minds and Culprate, and completing the line-up we've got Millions Like Us bringing their devastating blend of Dubstep and D&B.
