One of London's most forward thinking club nights celebrates five years of being just that with 'the Hydra' on Saturday 13th October when Deviation puts on a star-studded line-up, headlined by Detroit House icon Moodymann. From his sought-after releases on his Mahogany Music label to his outspoken interviews and DJ sets he's a true maverick in his field and will be joined by Deviation favourite Dam-Funk, who performed at Deviation's first birthday and will be bringing his live Funk exploits to the table. Making the birthday that bit more memorable will be Warp's Hip-Hop wunderkind Hudson Mohawke. Hyperdub boss Kode 9 will be wishing Deviation many happy returns and of course the man who got the disco ball rolling five years ago Benji B will be taking you through the sounds that have made the night so crucial in London's club scene since its inception.

Line up:

Moodymann
Dam Funk
Hudson Mohawke
Kode 9
Alexander Nut
Benji B
Moxie

There will be a cab service outside the venue at the end of the night.

A few things to remember ahead of Saturday:

We will be using the new RA Bar Code Tickets so you must bring a print out of your tickets and the card the ticket was bought with. No print out, no card, not entry.

The bar is CASH ONLY – there is a cash back facility at the cloak room but we advise bring enough cash for the night

There will be a fully staffed cloak room

There will be NO tickets available on the door – THIS EVENT IS ADVANCE TICKETS ONLY - Please do not turn up unless you have a ticket you will NOT get in.

Set times will be posted on the night but we have got a lot of talent to get through so we advise arriving early so you don't miss any of it.

Thanks and look forward to seeing you all on Saturday :)
