Two labels that have been pushing quality releases on the German House scene for some time go head to head on Saturday 27th October for a Halloween special as Innervisions meet Permanent Vacation as part of 'The Hydra'. Since their early work with Jazzanova's Sonar Kollektiv imprint Ame and Dixon have clearly held a variety of influences in their music and this has manifested in their label releases over the years. From Ame's 2005 anthem 'Rej' to Dixon's slew of edits the label has stayed relevant by failing to bow to trends but by also having an A&R policy that is second to none. Permanent Vacation can be heralded for kick starting the careers of John Talabot, Azari & Ill and Midnight Magic and have managed to avoid the mire of the retro-infused Disco and House and instead focused on the edgier spectrum of it all. On the night some of the labels most-revered artists will be making an appearance so gear up for sets from Tensnake Todd Terje and Prins Thomas who will be delving through their crates of balearic Disco, House and beyond.

Line Up:

Dixon

Ame

Tensnake

Todd Terje

Prins Thomas

We are very excited to announce that the venue we will be using for this Saturday's Innervations x Permanent Vacation Night is ICan Studios in Hackney Wick.

The Address is:

Ican Studios
35 Monier Road,
London
E3 2PR

It is a 5 minute walk from Hackney Wick station which is on the over ground line. The nearest bus stop is Wansbeck Road – Routes 276 (from Stoke Newington) and 488 (From Clapton Pond).

Please see below for directions from Hackney Wick station to the venue:

We advise checking the TFL website for any travel disruptions over the weekend.

There will be a cab service outside the venue at the end of the night.

A few things to remember ahead of Friday night:

We will be using the new RA Bar Code tickets so you must bring a print out of your tickets. No print out, no entry.

The bar is CASH ONLY – there is cash back facility at the cloak room but we advise bring enough cash for the night.

There will be a very limited number of tickets available on the door. We advise arriving early if you want to grab one of these.

Set times will be posted on the night but we have got a lot of talent to get through so we advise arriving early so you don't miss any of it.

If you have bought a combined coach and Innervisions after party ticket – the coaches will be leaving from ICan Studios at 6am.

Thanks and look forward to seeing you all on Saturday :)
