KARTEL

Friday 29th March, 2013

Downstairs at Plan B, Brixton, SW9 7AY

AFRICAN MUSIC MEETS WESTERN ELECTRONICA

feat:

DÉBRUIT (LIVE) * UK Exclusive

ZUNTIE FLO

ZULU

MOTO & BAGHEERA

From the organisers of THEM, London's first Electronic club night dedicated to African sound. Kartel focuses on the cross-pollination of Western Electronic music and African music (Ghanaian Highlife, Nigerian Afro beat, Angolan Kuduro, Congolese Soukous, South African Kwaito, Cameroonian Makossa & Kenyan Benga). The perfect mix to dance to on a Funktion One sound system, with dedicated visuals all night.
