To get a taster of what you can expect to hear in the main room, Nadastrom, who are playing in Room 1 to launch Dead Fish, have done the Trouble Vision MegaMix No.4.1 which you can download here.

Tracklistings:

matt nordstrom + orlando villegas - spanglish (dub mix)
ilario alicante - in deep tubes
nick holder - bad girl (solid groove mix)
marlon d - jesus creates sound
solo - congaloid
hugo - the sloop
designer drugs - back up in this (nadastrom remix)
the body snatchers - i like what i see (hijack mix)
hijack - keep it real (oliver \$ remix)
lenka - trouble is a friend (nadastrom's wishful dub)
